I will miss
this old school
with all its memories . . .

Susan

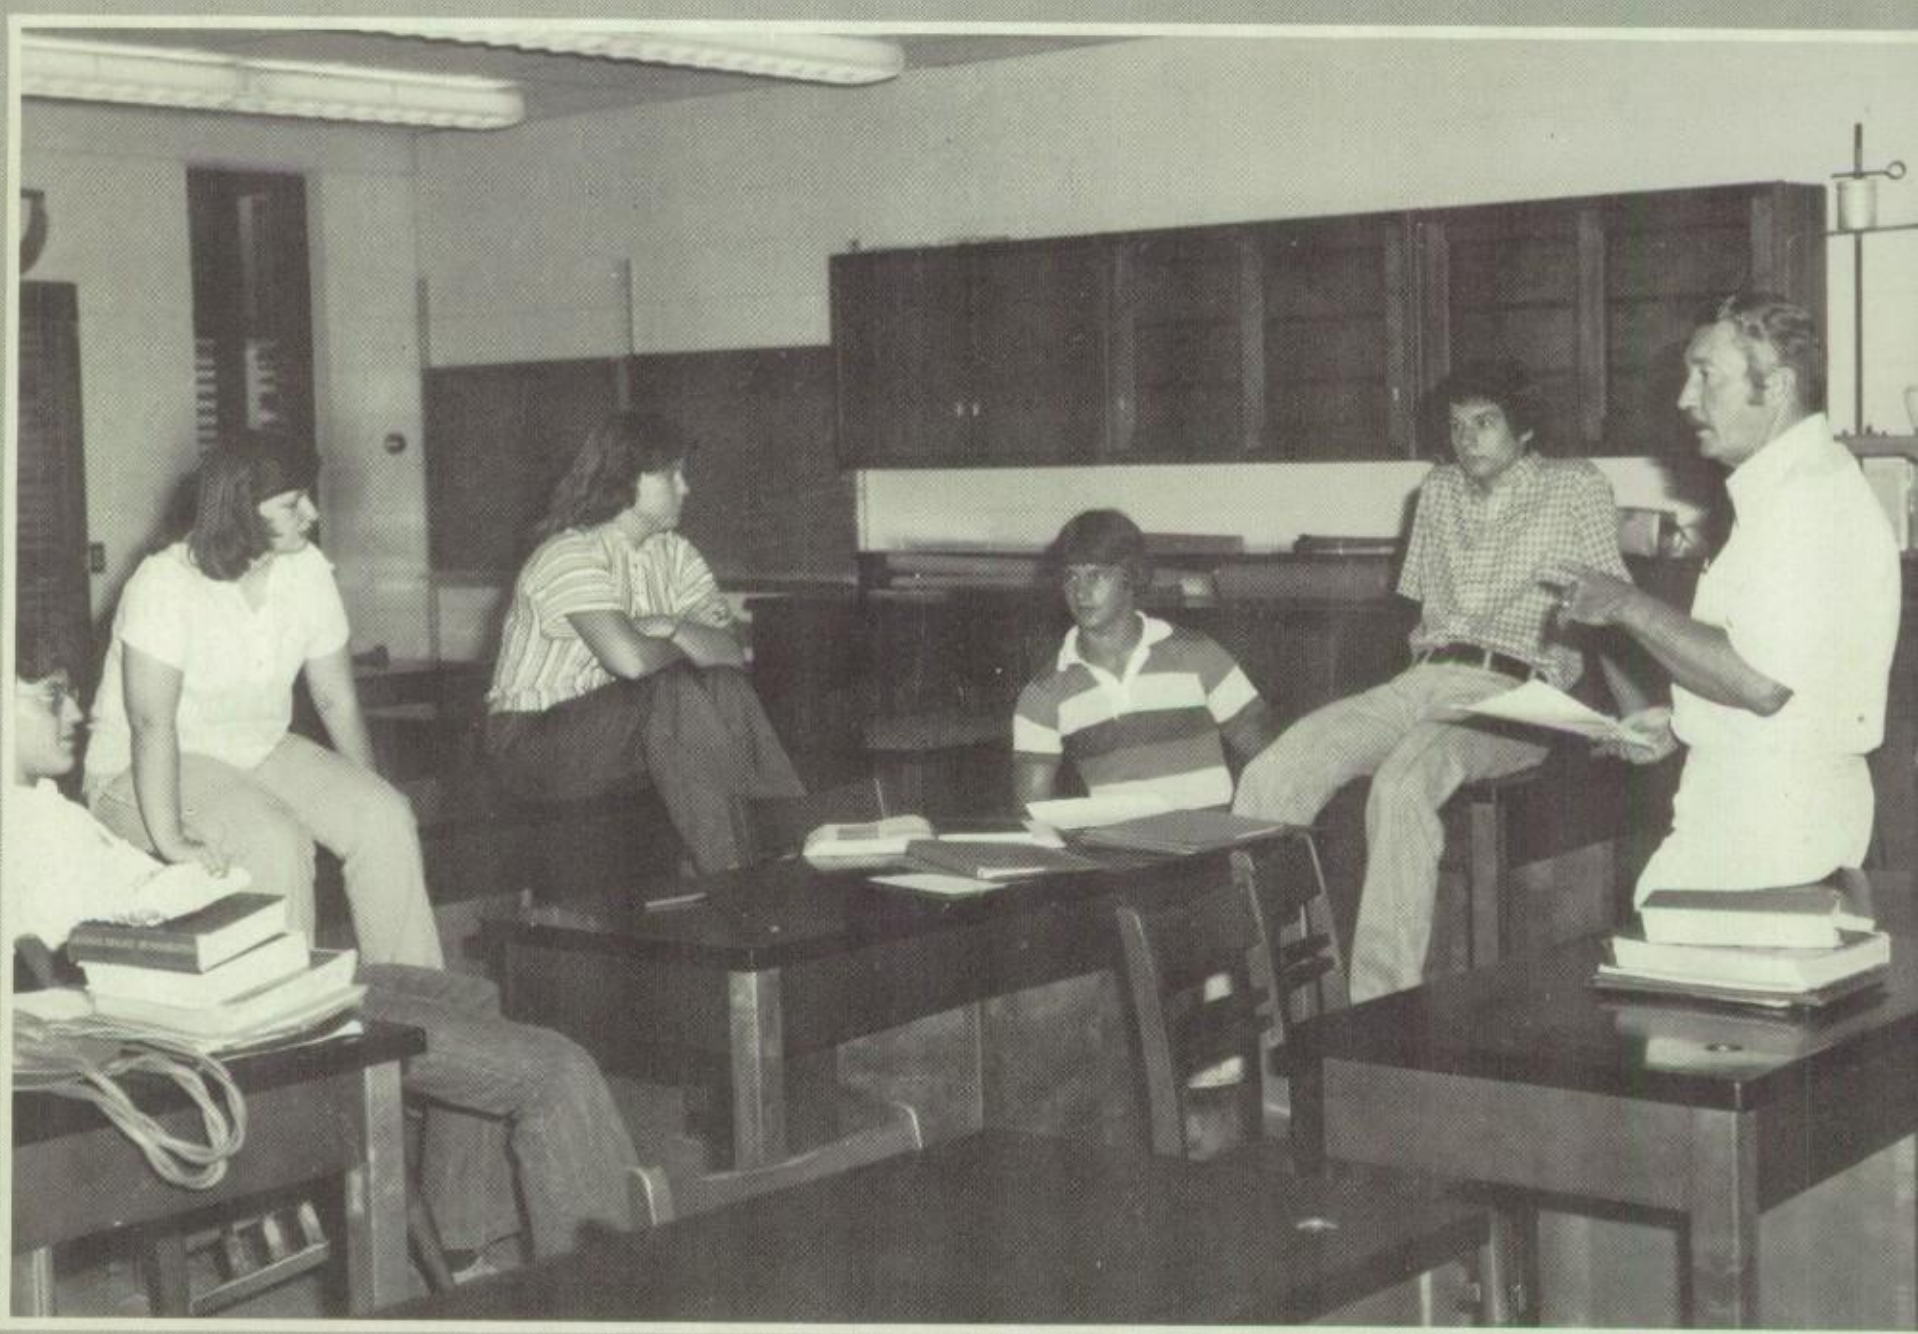
It has really been fun having 1st, 3rd period with you this year. May you succeed far in life.

your friend
Doug Jones

Like not knowing
where to go or what to do
on my first day — just
another
face in the crowd.

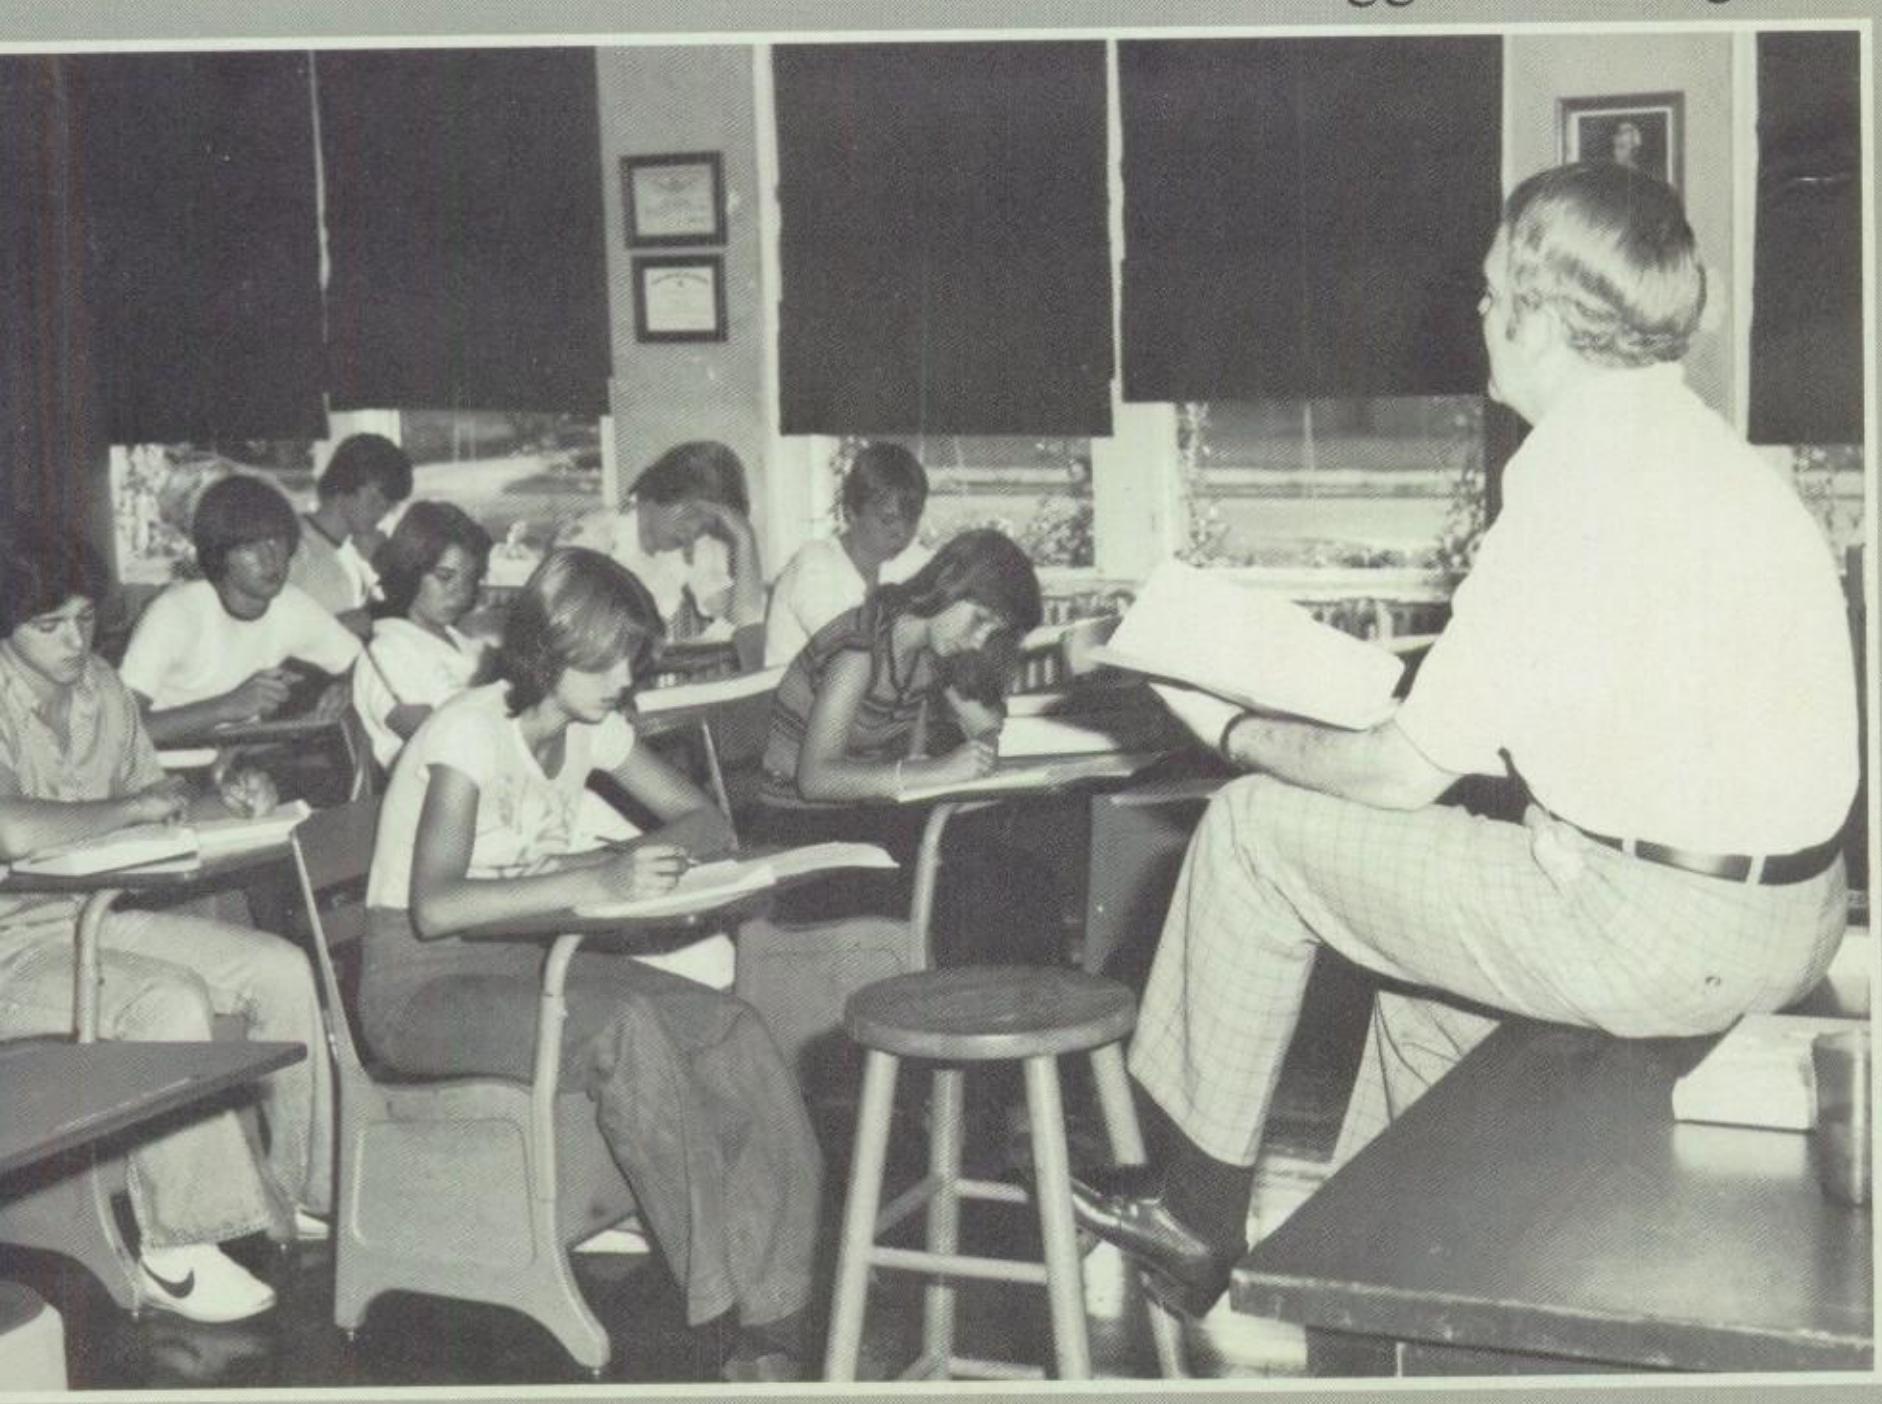
I wondered
if I could ever fit
into the high school scene
and if so, how?

But now I wonder
why I even worried
at all . . .
the action started
and the fun
followed.



Susan - You have great courage - to put up with me two years! Enjoyed history (especially this year) Love, Mr. G.

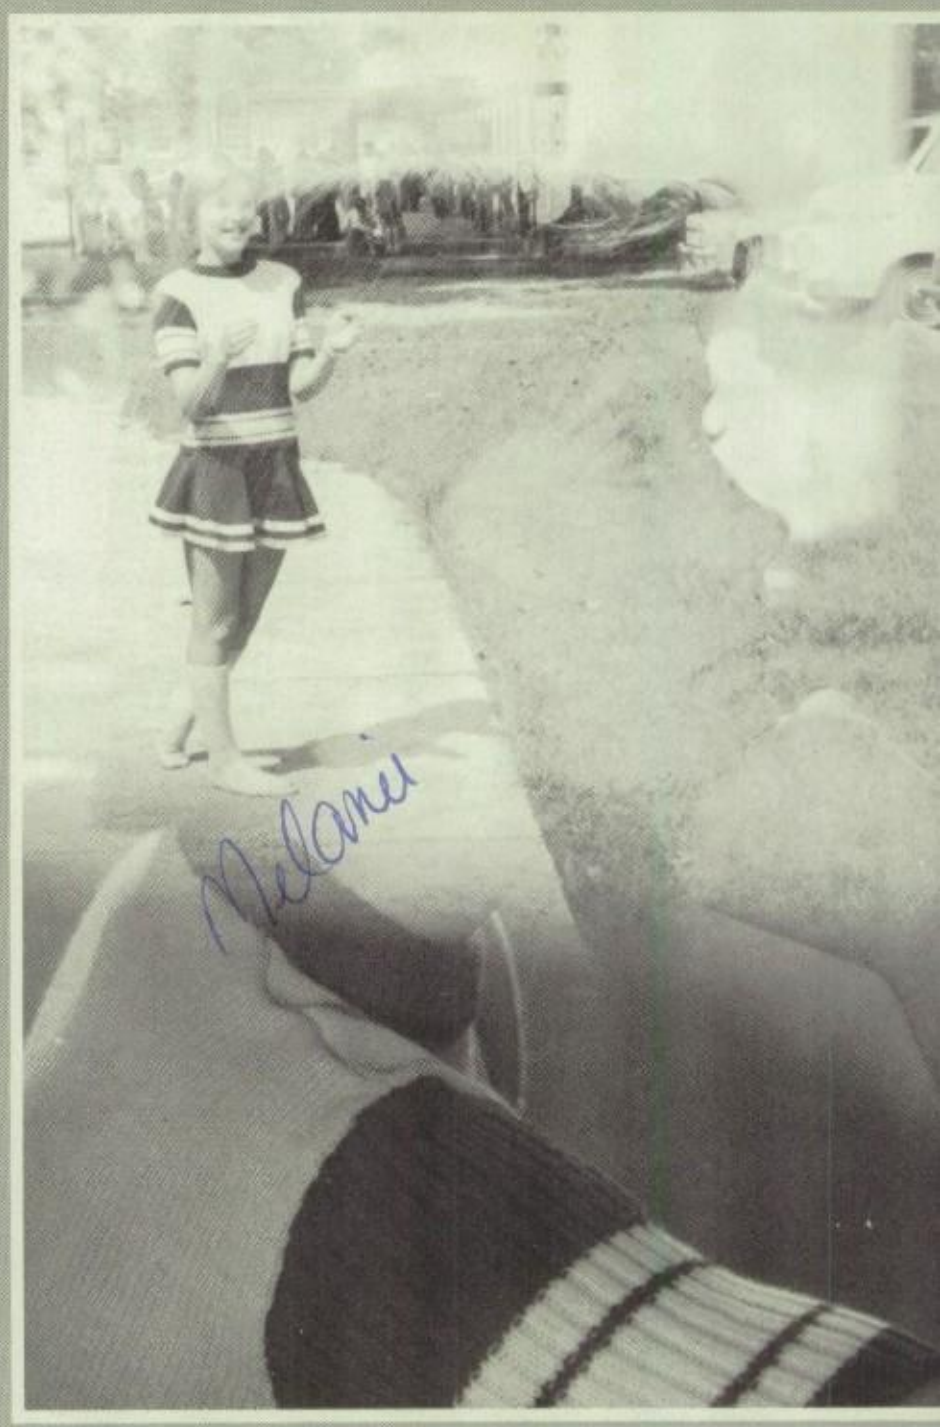
I remember
the teachers . . .
those I loved,
and those whose classes
I struggled through . . .

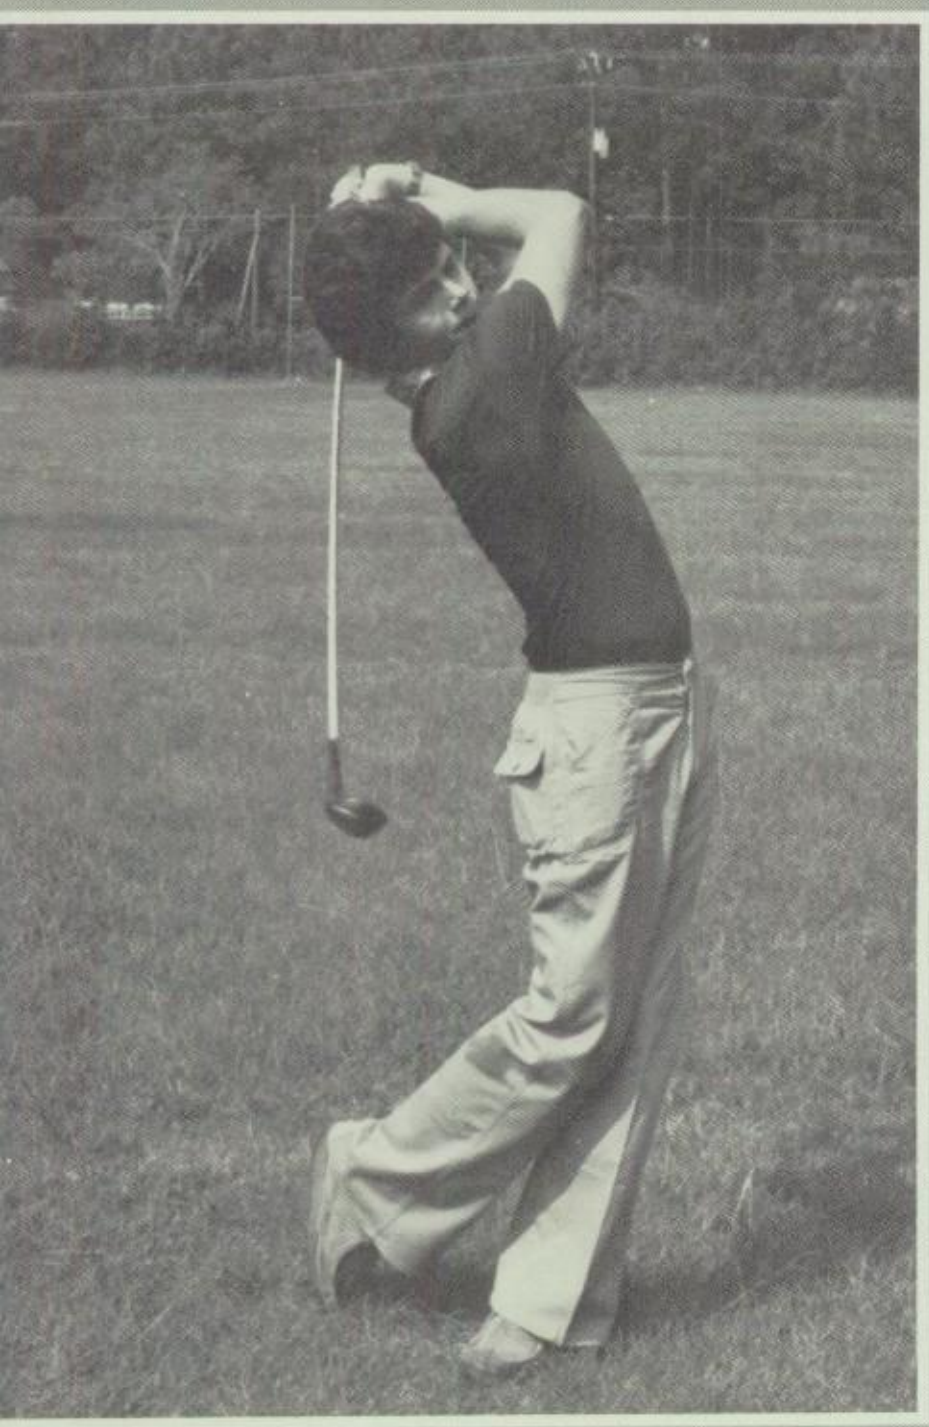


The best
and most special
memories will always be
of my friends
and the times we shared . . .

Classes, Pep rallies,
Homecoming, the Prom,
club activities
and pulling for
our athletic teams.

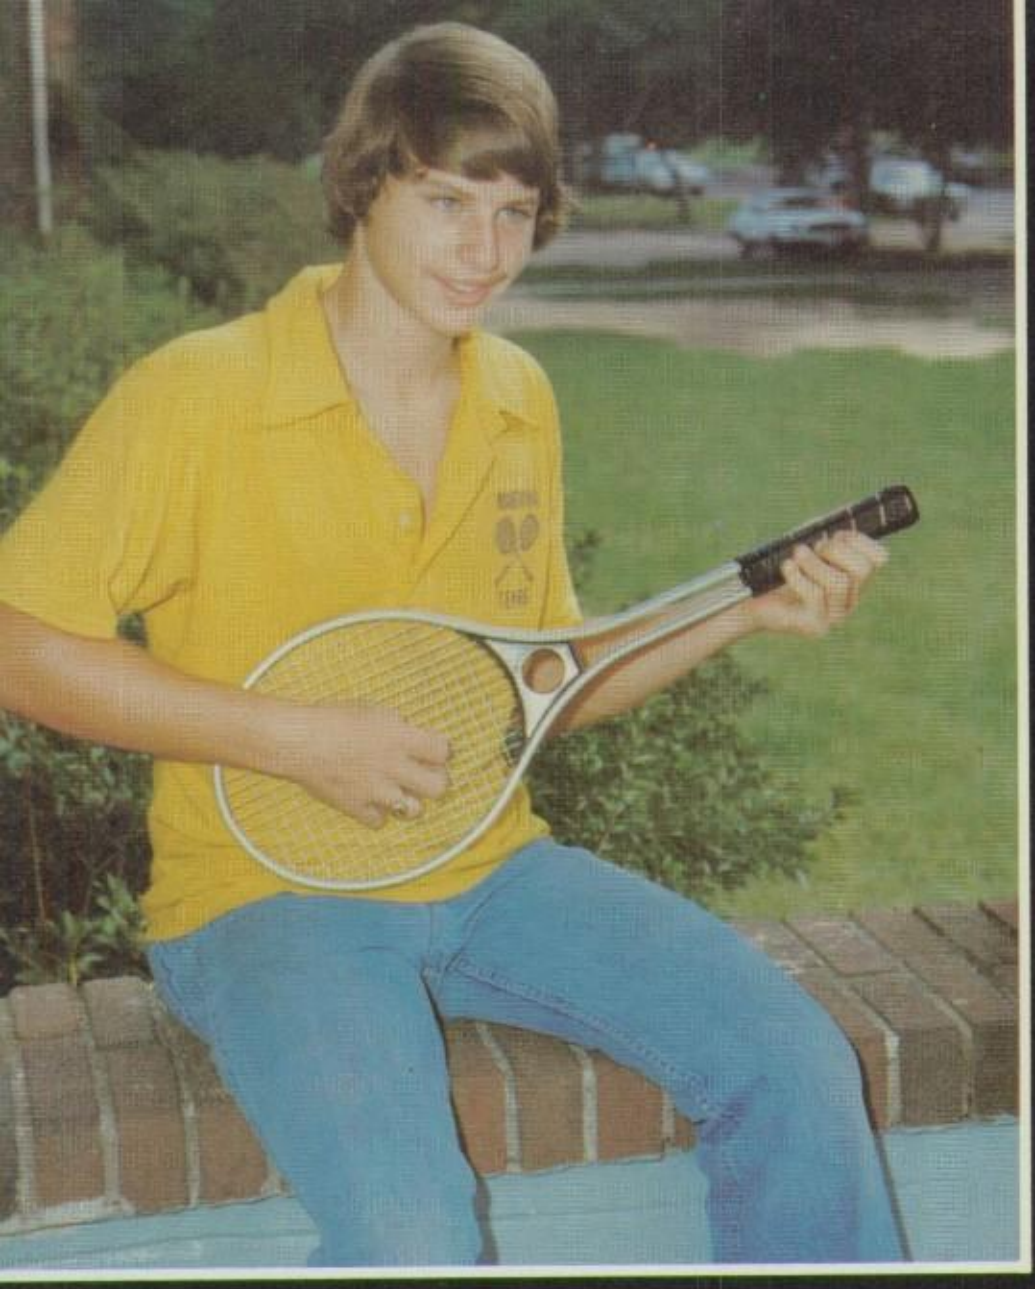
At everything we attempted,
sometimes we won,
sometimes we lost —
it didn't really matter —
we did it together.



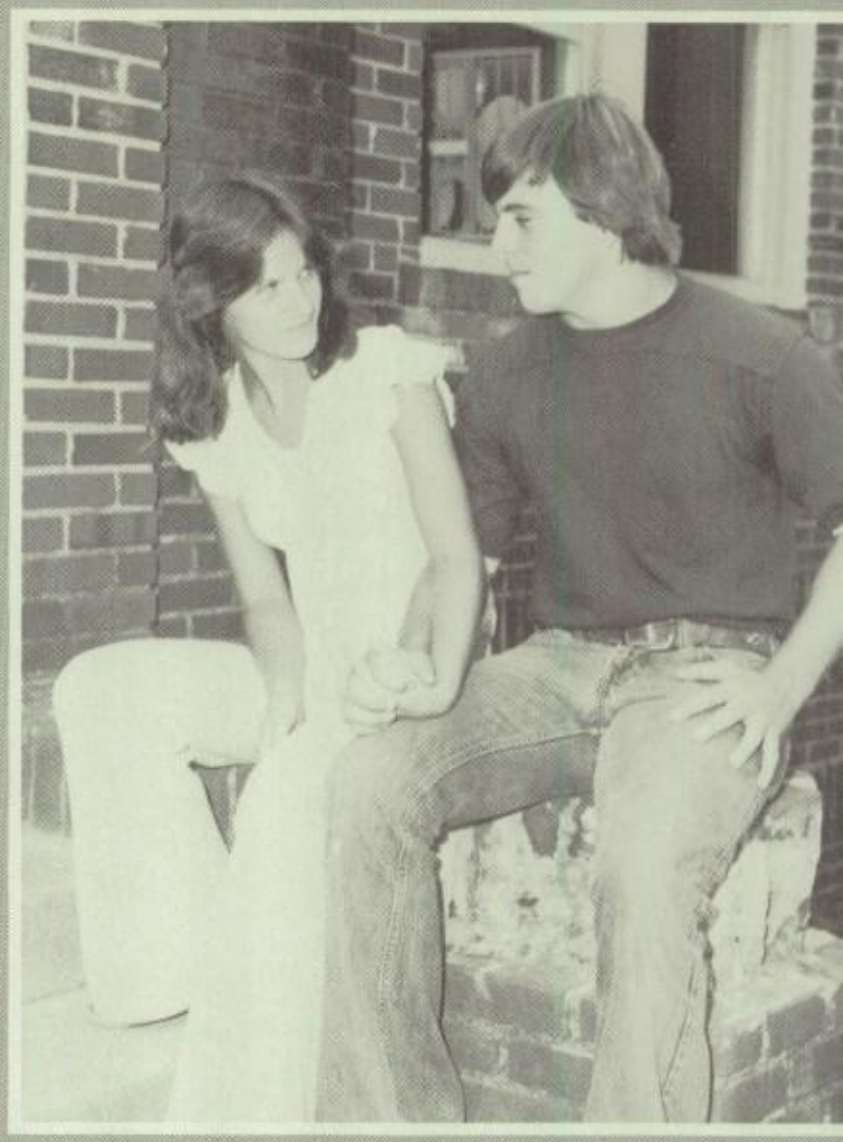


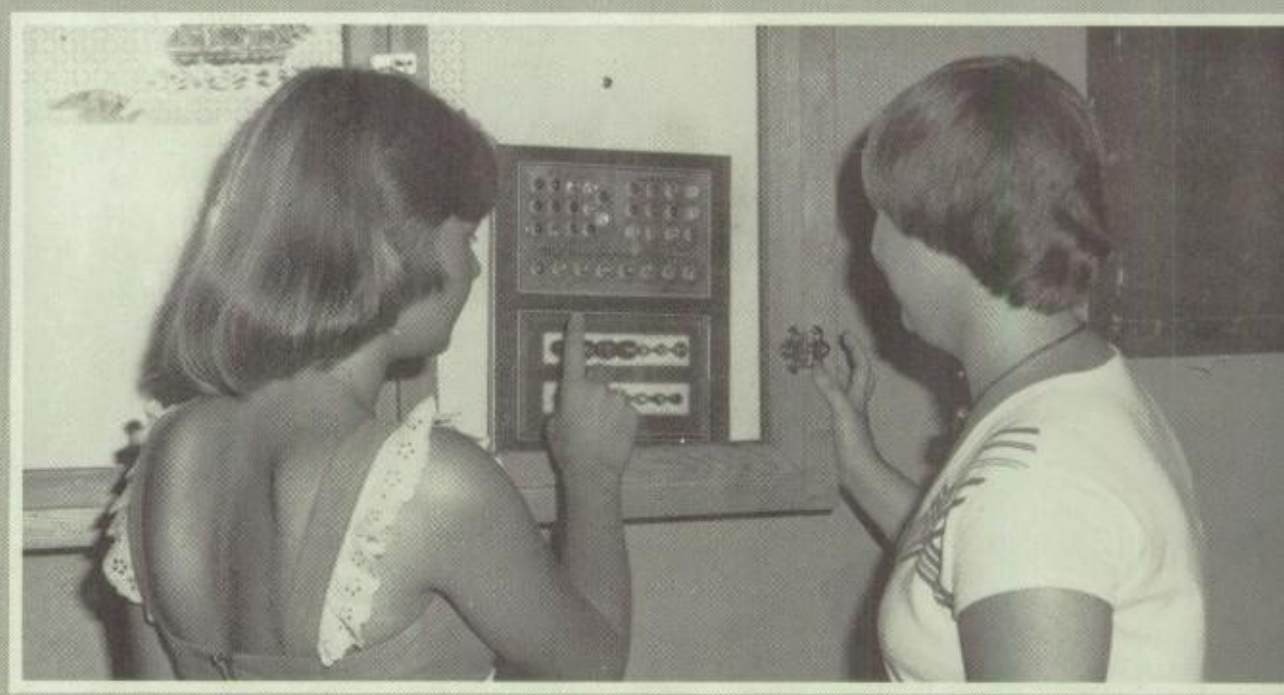
The years quickly came
and went
and so did the memories . . .

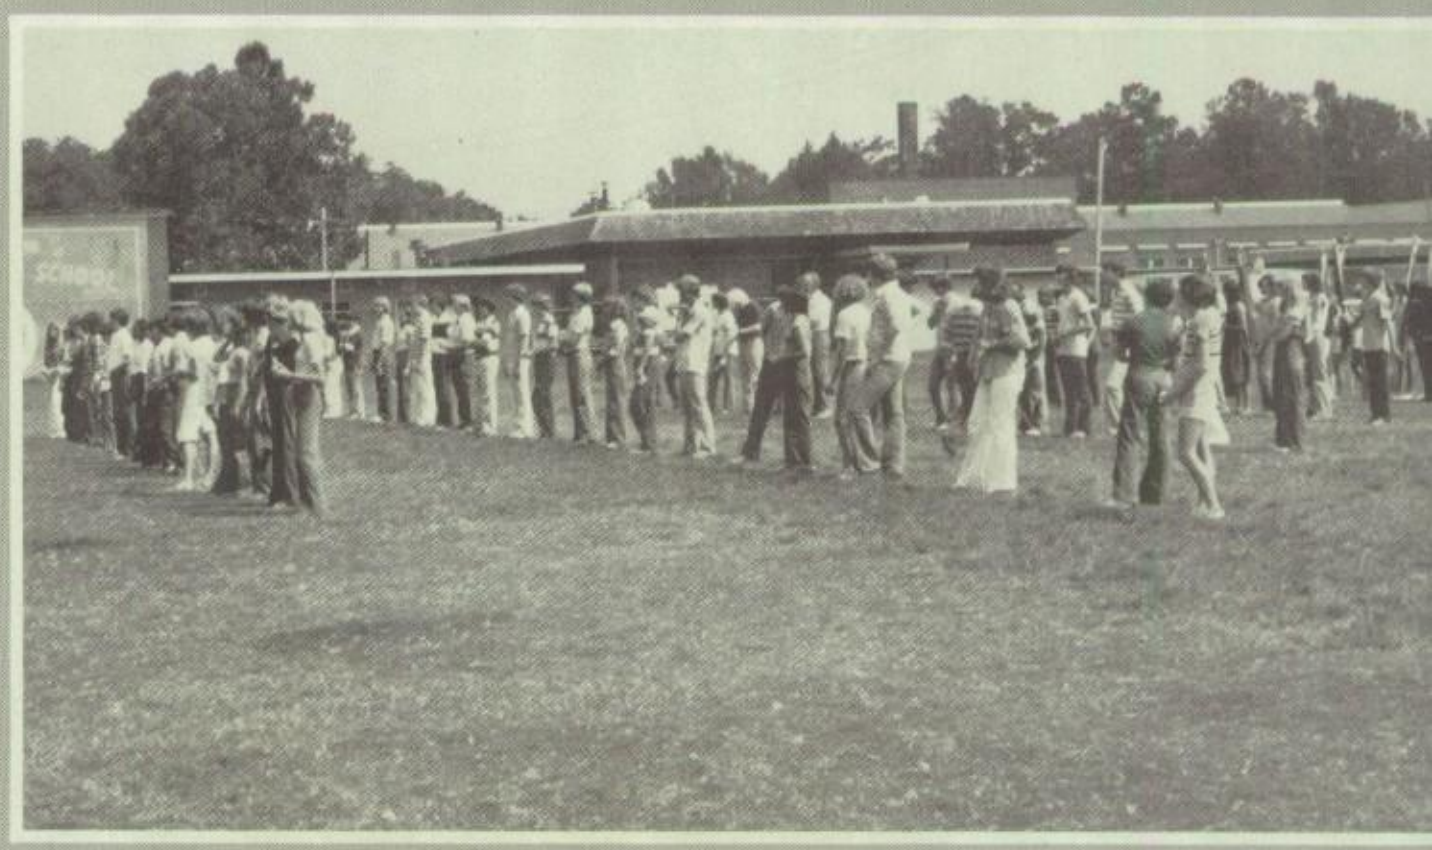
Or did they?



Reluctantly I must leave
and go on
to many new experiences.







I must start now
on a different path,
but I'm satisfied
knowing I can always
return to the memories
. . .

RUNNING THE SHOW

Running a school is a big job that calls for Mr. Centers and his staff to keep the wheels running smoothly. There can be no mistakes, the job must be done, and the deadline for its completion must be met.

I went for weeks without knowing all the members of the administrative staff. That was a shame, because each one has an important responsibility in helping provide quality education for all.

Mrs. Tanner and Mrs. Melvin were both a great help. They always had the answers to my questions about checking in or out, excuses for absences, etc.

Mrs. Peacock and Miss Justiss were always willing to lend a helping hand. In the way of supplies they had almost everything it took to keep the school running smoothly. Along with helping Mr. Centers with administrative problems, Mr. Long made sure each student had the proper textbook for each class. Mrs. Wester helped me save a little money by selling football tickets at school. Her skillful handling of financial matters made everybody's job a little easier.

GUIDANCE GOSSIP

Boy, I remember how lucky I was to get out of class to go to the air-conditioned guidance office! When I walked in I went to the rear of a long line of students waiting for schedule changes, teacher changes, class changes, changes, changes, . . . evermore changes. To my left I saw Mrs. Bryant counseling in her own little office. Straight ahead at the front of the line I saw Mrs. Free answering questions. I thought maybe I was in the wrong room because just the year before I had her for P.E. Then someone told me that she had moved to the guidance department. Some of the questions I heard around me were: "Can't I take General Science instead of Physical Science?" "Do I have to have four English credits to graduate?" or "What courses should I take and which college should I go to if I plan to major in pharmacy?" The latter question was being asked of Mrs. Melvin, Career Specialist. I could hear the tap! tap! of a typewriter and by following the sound I found Mrs. Dunkel typing student schedules.

Finally when it was my turn to talk to Mrs. Bryant, I got to ask my question, "Which way to the bathroom?"

ENRICHED LEARNING POTENTIALS

I remember the desk where books are checked in and out was usually my first stop as I entered the library. Immediately I would turn in my pass as Mrs. Wiggins approached saying, "Need any help?" I usually replied, "Yes, where are the Biographies located, and how do I use the card catalog?" or something like that. I would spend the next few minutes learning the Dewey Decimal System or finding out where the reference books and vertical files were located.

Then to rest my mind I would leisurely look through the Floridan, The Tallahassee Democrat, The Pensacola Journal or some magazines.

Mrs. Milton would call me to see a film and I would get up, leaving the magazines and newspapers on the table, and go into one of the conference rooms. Then Mrs. Turnage would call, "You forgot to put your magazines back on the shelf."

As I left the library, the turning of pages could be heard with the hum of the air-conditioner missing.

ENGLISH HAPPENINGS

I can still hear the English teachers, "Proofread your papers, correct your punctuation, read louder please, we will have a spelling test today, tonight for homework . . ."

I don't know how I survived Mrs. Brewer's English Literature class. Reading that Old English was like reading another language. Mrs. Clemmons wore out this phrase, "You must take grammar before you take composition." Mrs. Granberry stressed "Romeo and Juliet" so much to our English class, that I bet I could still quote a few lines from it. I spent more time in the library than in Mrs. Cooper's classroom working on my research paper in Basic Composition. We wrote so many character sketches in Mrs. Gibson's English 9 class . . . I wonder if I could write one now. Mrs. Segers and Mr. Bill never could run out of words to help build my vocabulary. We drilled and drilled on reading and study skills. Mr. Therrien read Tom Sawyer so expressively every Friday in American Literature, the characters seemed to come alive. Before I went to Mrs. Stewart's Mythology class, I never knew there were so many gods.

In these classes I learned the basic and advanced English skills that would help me later in life. With these kinds of teachers who could help but remember English.

STEP INTO THE WORLD OF SCIENCE

Mrs. Leila MacMullian

Mrs. Betty Duffee

Mrs. Sylvia Ingram

The first thing that greeted me in the Chemistry lab was the smell of rotten eggs. The Chemistry I class was working on their unknowns. Mrs. MacMullian sat in her usual position on top of a table wheeling and dealing directions and help. "All labs are due tomorrow!" "Be careful with that beaker!" When I stayed after class I joined in on discussions of how many JAS projects made it to state.

The lights were always off in Mrs. Glenn's room as her Human Physiology class viewed another film.

It seemed that each time I walked in on Mrs. Ingram, head of the science department, she was assigning yet another chapter to her General Science class.

Mr. Baggett, the newest science teacher, always admonished his Physical Science class, "Now I want you to tackle your homework with determination!" Even off the field the coach in him shined through.

In my class with Mrs. Duffee in the biology lab, I heard the Experimental Biology class wonder aloud as they wiped sweat off their brows, "When are they going to repair the air-conditioner?" One puzzled student tried to put a full scale model of the upper human body back together while I was there, but found that he had somehow left out the liver. Oh, well. Tomorrow he will have another chance in the world of science.

MEMORIES OF MATH

I remember Monday mornings in Mr. Chatwood's Geometry class, first sleeping until he called my name and staying lost for at least five minutes. But I could not have slept the whole time because I can still work direct proofs and even remember a theory or two.

I would walk down the hall and take a right to end up in Mrs. Koonce's room for an hour of Pre-Algebra.

I can still hear Mrs. Elrod, who taught me Algebra I, saying, "Now for the problem of the day." Those problems of the day usually were my problems of the week.

Then at the bell I would walk over to the Physics lab for Algebra II. Mr. Jenkins was always mixing Algebra II and Physics with a good deal of humor for an exciting hour of learning.

In Business Math, I would exhaust myself punching calculator buttons for Mrs. Bird or figuring out the price that we would have had to pay for a ticket to the office for Miss Gilbert. I also remember the Friday tests and hoping I could pass just one in Mr. Daffin's Math II class.

HISTORY MADE IN THE CLASSROOM

Why did I have to learn about George Washington? He never studied me! All those dates confused me, 1808 . . . 1812 . . . 1850? I just hoped I would remember them for Mrs. Morton's World History test. In Mr. Summerwell's room we really had it made with all the dates written on the wall; until they painted it. I remember typing Mr. Grant's notebook until three in the morning the night before it was due. Some of those smart guys had already finished. Coach Hughes wanted us to write a paper on how the Civil War could have been prevented . . . How was I supposed to know? We were sure lucky when the basketball team won, because that would put Coach Free in a good mood. It sure was hot in there!

Well, now I know what did happen, I just hope I'm ready for what will happen.

LANGUAGE COMES ALIVE

I really thought Latin would be tough but Mr. Donalson made it interesting. He was always telling us about ancient history and Roman civilization. We really had a great time at the Latin Forums where we competed in a contest for the Latin Bowl. Some of us took tests in language and history to compare scores against students from other schools. We also participated by displaying projects and even got to see a demonstration of a catapult.

Next year I plan to take Latin III, a new course just offered this year. Boy, that will be exciting.

LEARNING FOR BUSINESS CAREERS

"F, J; F, J; F, J; A, S; A, S; A, S" and "Keep your eyes on the copy!" are the things I remember about Mrs. Speed's Typing class. I thought we would never get to make a complete sentence out of a, an, and the.

There we were, one month after school started, taking five minute timed writings. After typing so much in Mrs. Speed's class and taking so much dictation in Mrs. Shadburn's class, I had to go home and soak my fingers!

Then I graduated to Typing II, consisting of carbon copies and ten page manuscripts with the persistent voice of Mrs. Shadburn giving the instructions. Boy, with all that training, I'm destined for success.

There was nothing to accounting with the help of Mrs. Hinson. Preparing the balance sheet, journal and ledger was a lot of fun. I was always worried my work sheet would not balance out and that I would end up in big trouble.

As Mrs. Shadburn dictated letters at 60 words per minute, I desperately tried to keep up but could manage only half a letter in the time allowed.

Oh well, all the sore fingers, carbon inked hands, and hard work were worth it to be a good business person. Typewriter bells ringing, shortened words, learning symbols, balancing sheets, and keeping books were all a part of preparing for the business careers.

TECHNICAL THOUGHTS

Have you ever wondered what goes on inside band member's heads during a pep rally or Home Economics' students' minds after baking their first batch of cookies? Well, I can tell you what I used to think!

In Chorus there were more songs! I never knew my mind was big enough to hold all of those! But songs were a lot better than going up and down those scales. I thought if I kept on practicing, then Mr. Large would send me to Regionals and maybe even on to State!

The temperature in the gym just couldn't have gotten any lower! My fingers could barely hold my instrument. What a day it was for a pep rally! We worked hard on that song. That guy next to me knew better than to louse it up. Mr. Reagan really picked some good songs. My ear for music got better that year. Mr. Reagan was really a good director.

Boy, that girl I drove with was crazy. I thought surely we were going to wreck. I was glad Mr. Daniels had that brake on his side of the car in Driver's Education.

I made a good move when I took work experience and D.C.T. I couldn't believe I finally got a job! I hope I remembered to thank Mr. Tipton for helping me get the job and Mr. Ingram for teaching me my employable skills. Just think of all that money I could make!

Ummm, those pastries smelled so good! I couldn't believe I made them. I even learned how to sew, I guess I might even turn out to be a good homemaker after all. Will wonders never cease? Mrs. Ephriam must have magic to teach me all of that. Just think what I might learn next year in Food and Management under Mr. Dickson.

I sure was glad these were dolls and not real babies. I just couldn't get those diapers to stay on. Mrs. Knowles would surely have died if she had seen I pinned the diaper to the doll's shirt. Maybe Child Care wasn't the class for me!

Hey, my plants really grew! I was surprised because I had never been able to grow anything. I decided Mr. Nobles must have thrown mine out and replaced them but I found my name. I really grew them. I couldn't believe it!

Colonel Evins and Sergeant Everett told me I was in the color guard! That meant I got to perform before football games and march in parades. Gee, that must have been my lucky day. Now that I'm through, I wish I could go back.

THE THRILL OF VICTORY . . .

"All right, you have five minutes to be dressed out and sitting on the bleachers for roll call," shouted Miss Brawley every day. Boy, she never gave me enough time to get completely dressed out. When the tardy bell rang, I was with one sock on and my shirt on backwards! By the end of the year I had mastered the art of dressing and undressing in split-second timing.

I always enjoyed watching Coach Davis' class do exercises because they were very enthusiastic about it, even if they didn't want to be.

I thought that Coach Poole's class was going to be easy since he was just out of college, but those suicides sure changed my mind.

In Coach Patterson's class, when Physical Fitness test time came, I had the lowest score in the class. Oh well, that's just another agony of defeat!

SONGS IN THE KEY OF LIFE

Talk about musical variety and talent! We had it! It was well displayed in the Junior Revue of 1977. From Margaret Robinson's gospel to the rock-n-roll sound of the High Riders, the students and faculty of MHS were entertained by top student performers.

The emcees, Melvin Wooden and Milton Wynn (alias "Salt" and "Pepper") provided their own type of humor which contributed to the production's success.

Another Revue regular, the Rockettes, danced on in the Bulldog tradition.

Because of the experienced technical assistance of Mr. Richard Hinson the sound of '77 will long be remembered.

NIGHT OF THE DRAGON

The Junior class of 1977 exhibited long hours of hard work on May 13, at the Prom. Their unique theme "Night of the Dragon" was developed under the faculty leadership of Mr. Richard Hinson, Mrs. Mary Jo Morton, Miss Jane Wheaton, and Mrs. Ruth Hinson. A China-town setting prevailed over the evening with musical sounds provided by "Sweet Rock." The picture background was a bridge over a colorful lake.

SPIRIT LEADS DOGS TO VICTORY

Our 1977 Bulldogs came home to pride and spirit never before seen in Marianna High School. Tradition led the way in the weekly activities such as Spirit Ribbon Day, 50's Day, Jersey and Hat Day. By Thursday, we were all in high gear and set for the Bulldog Bonfire which burned even through the big game.

Then came the big day, Friday. The Homecoming attendants were presented to us at the morning pep rally. They were: Zanna Evans, freshman; Beth Alexander, Earlene Hayes, sophomores; Jan Hughes, Mary Miller, and Vernita Pittman, juniors; Denise Barnes, Janie Bell, Wyvonna Crosby, Lisa Daniels, Charlene Hill, and Cynthia Peace, seniors.

But boy, what a parade! It was the longest in Marianna High history and was led by Representative Wayne Mixson and Deputy Superintendent Hodges Martin. Floats were displayed and the Senior Class float won best all-around.

A couple of hours later we were all sitting in the stands waiting to hear, and then . . . Denise Barnes was our Homecoming Queen. I'll never forget all those helium balloons that went up during the Star Spangled Banner. How could our under-'Dogs' lose? We couldn't! We took it to Quincy Shanks 12-7 in a victory locked in our defense and balanced by our offense.

SHEER ENTERTAIN-MENT

Once again we worked hard to present our annual plays. As usual they were great entertainment and even included unrehearsed antics such as Darwin Gilmore's stuck guns and Gary Peacock's falling ladder episode.

Four plays were presented by our excellent JAS actors and actresses. "Parted on Her Wedding Morn" depicted a young girl forced to marry a man she didn't love. She was saved, of course, by the hero who made her his wife. "Take a Letter" covered the requirements necessary for a good secretary, as well as a good boss. "So the Jury was Hung" portrayed a young man on an all-woman jury. He was disliked by all the women except one whom he disliked and couldn't get rid of. "Not Even a Mouse" dramatized the break-up of a couple's relationship by a mix-up in their Christmas presents. One received a dog bone, the other a cat's collar.

We earned over $300 which was used for attendance in many science fairs. These fairs enabled us to display our best talent — science projects.

STUDENT COUNCIL STRESSES SERVICE

Early every Thursday morning some of our students assembled in Mr. Donalson's room for Student Council. Here the link between the administration and the student body was completed. For almost thirty minutes, forth coming activities, student problems, and other various topics were discussed and planned. In order to keep the student body well-informed, minutes of these meetings were kept and posted.

As a service to all of the students, we published Student Directories, sponsored D. J. dances, and a super Homecoming, which fanned school spirit from a tiny spark into a steady flame. Under Mr. Large's diligent eye, we were able to make school another happy experience in our lives.

EVENTS HIGHLIGHT ROTC

The school year of 1977-1978 was an active year for the MHS R.O.T.C. August began with a candy drive, which provided money for our picnic and other activities. The Color Guard presented the colors at each of our home football games and the Drill Team performed at Hope School, the Marianna Middle School and the University of Tampa. Our Rifle Team competed at Troy, Pensacola, Enterprise and in many other matches throughout the year. An important event for the Junior R.O.T.C. students was an orientation trip to Fort Benning, Georgia, where we were privileged to watch a demonstration on the methods of parachuting.

One of the highlights of the year was Parents' Night in the fall. The climax of the year was our Annual Awards Day and the Military Ball, a favorite event for each of the students.

LEADERSHIP TRAINING

We began an active year in FFA by attending the District Leadership Meeting. As our projects were shown at the fair many awards were received. All of the hard work that was involved in our preparation showed through when we judged livestock, land, and forestry.

Many members put their skillful talents together to enter Parliamentary Procedure Contests. We proudly walked away from the competitions with several high awards. Those who won proceeded to state contests.

The FFA Banquet at the end of the year gave us a chance to display to our parents and prominent guests the many achievements we had acquired during the year. We had several members who excelled in different areas such as speech, organization, reporting, and other outstanding leadership qualities. We were contented with our training that enriched our lives for selective opportunities in the future as farmers and citizens.

STUDENTS FIND ADVANCED LEARNING

"Wrap up the test tubes!" "Strain that caffeine before you heat it." "I need some black two inch block letters for my blackboard." Rare was the day we didn't hear one of these phrases in any lab, biology or physics, when it was time for one of the many science fairs attended by JAS members. We went to the National Peanut Festival Fair, County, Regional, and Statewide fairs and several conventions capturing several honors.

Candy was sold and plays were produced to raise money to pay for the trips we took, telephone calls we made, and materials we needed.

Mrs. Mac, Mrs. Duffee, and Mrs. Ingram worked hard with us, making our projects possible. Without their help, we would never have been able to go so many different places, meet so many diversified people, and learn so much.

Working on projects and papers which covered a variety of subjects from DNA to grapefruit, we gained not only scientific knowledge, but a sense of working hard for what we wanted.

EXTENDING EDUCATION

We, The Future Young Educators of America, function to bring teachers and students closer together. Sponsored by Mrs. W. L. Cooper and Mrs. Vivian Koonce, our club participated in bake sales, cancer drives, and held an induction ceremony. Among other activities, we recognized American Education Week by placing apples in teacher's boxes. Through the dedication of each member, our club became a valuable asset to our school and community.

SPIRIT IN SPORTS

Throughout the year in the Fellowship of Christian Athletes, we never had a meeting, yet, we had a spirit that was undeniable. We were well represented in all of the sports, and our presence was felt throughout the campus.

Our hope and goal is for a return to Christian principles and morality especially on the Marianna High School campus.

FLOATING ON

With the guidance of our new president, Cynthia Bell, we began the year with our main goal "striving for perfection." Even though the club was not as active as it has been in past years, most of the members worked hard to strive toward our goal.

As our first community project, we held a pre-Thanksgiving dance which was a great success for us and fun for all.

We are gathering momentum so that we will be able to complete more projects next year. In the meantime, we are getting situated and floating on . . .

SHOW YOUR "K"

Having completed another year of service to our community, we feel we owe our success to the guidance of our president, Bubba Melvin and our sponsor, Mr. Billy Grant.

This year we kept up our tradition of selling popcorn. Also, along with our sponsor club, the Kiwanis, we continued our annual flag and wood-cutting projects.

Several of our members attended the Zone Rally in Panama City to get new ideas from other clubs. Through hard work and dedication many members of our club were rewarded by being given the opportunity to attend the state convention held in Sarasota. Donna Delaney, our sweetheart, proved to be a valuable and charming asset to our club's activities.

Key Clubbers show interest in their sweetheart!

"ANCHOR, RAH!"

"Anchored, we hold." sang the Anchor Club members as Kim Duggar led our Club song every second and fourth Monday of each month for our meetings. You can imagine what it was like when twenty-eight girls and our admiral, Milton Wynn, were all together in one room . . . talking! That is, until our President, Susan Daniel, called us to order. Our sponsors, Mrs. Duffee and Mrs. Morton, were always present to help in any way.

We were active in service projects such as our big Cancer Crusade, which had several of us standing in the middle of highways to collect money, and sponsoring the Little Miss Marianna pageant, which consisted of forty-eight second grade girls participating. Charming Lisa Stewart captured the title. We've had several get-togethers for the whole Club, such as our big Halloween costume party and our festive Christmas party.

As members of the Anchor Club, we have worked as a team, assumed responsibilities, gained leadership qualities, and had a good time! If a club provides all of these opportunities, then you know it must be worthwhile.

INTERACT CONTINUES SERVICE

OFFICERS: Steve Hutton, President; Fred Merrifield, Vice-President; Charlene Hill, Secretary; Jimmy Rule, Treasurer; Scott Wilson, Sergeant at Arms.

During the past school year, the Interact Club formed for girls and guys and sponsored by the Marianna Rotary Club, met in the Episcopal Church Parish House for weekly meetings.

Through the year we sponsored several projects which helped the community, as well as bringing us closer toward our trip to state Interact Convention in the spring. Some of the projects were taking inventory for local car dealers, digging postholes, and selling peanuts at most of the home football games. While providing these services, we always combined fun and work.

Miss Cynthia Standland was selected as our 1977-78 Interact Sweetheart.

VINCAE ROMANAE

This year the Latin Club had more members than ever. Besides having quantity, we had quality. For the first time, we were able to take a Latin III course for deeper study.

We elected officers; two from each class. The officers and members worked together on bake sales and car washes. With the money raised, we traveled to Pensacola to compete in District I Latin Forum and to Bay County for the Foreign Language Fair. To wear at Latin Club functions we bought matching T-shirts with "Marianna Latin" printed on them.

Those of us who worked hard and made at least a 90% average were made honorary members of the Latin Honor Society.

Studying Latin taught us to appreciate the culture and history of the ancient Romans.

GATHERING WORK EXPERIENCE

Creativity, originality, and ingenuity, provided the DECA Club's involvement in many projects. Being small in number had no effect on the results of our activities. Working as a club brought us closer together and allowed us to set goals in the career fields of our choices.

We earned credits while learning about Distributive Education. We had many sources of studying different job skills and seeing what was involved in each. Throughout part of the year we worked on individual papers concerning specific jobs. These were combined in a manual and sent to State and National Contests.

Our most important and rewarding activity was "Adopt a Grandparent." We set up a booth at the Career Fair to help in the promotion of our club. Our money-making project this year was selling candy. The above is sufficient evidence that we have been an active club in the preparation of our future.

NHS BRAIN STRAIN

The Nahosian Chapter of the National Honor Society got off to a good start this year. The club, as district vice-president, attended the District II Fall Meeting in Panama City on November 12 and planned all the activities for the year.

We held the Club Induction ceremony in November and welcomed fifteen new members to the Society. The ceremony was very impressive and was carried out with much tradition.

To close the year we participated in the 'Brain Brawl,' a scholastic game, requiring skill and quick intelligence.

ONE MORE TIME

A statement often heard from Editor-in-Chief, Renea Harris was "Be proud of your work." Writing and revising copy blocks, drawing layouts, and matching names with faces were only a few of the many jobs we did during the year. Only after alphabetizing the some 1000 students in our school did we realize how big it actually is. Everybody's cooperation on those hectic days made the job a little easier.

There were times when nothing seemed to go right, but the incentive provided by Mrs. Clemmons and Renea helped to give us all a boost of enthusiasm. It was our intent that this year's edition would make you want to remember the past year ONE MORE TIME!

GROWLER SPREADS SCHOOL NEWS

We relaxed this year in Growler until Jimmy Rule would say, "We'll be putting a Growler out next week so get to work." There was so much to be done within that short time; paint and put up signs announcing Growlers for sale, Terrie Jenkins needed to take some more pictures, ads needed to be sold, Patsy Sims needed to start burning the typewriter, and Jim Lasche needed to get the latest basketball scores for the sports section. We were always rushing around the whole school at layout time. I think Mr. Therrien got a little irritated when we procrastinated. But all the hustle and bustle paid off when we heard most students around the school exclaim, "This is the best Growler I've ever read!"

WHAT IS IT?

We, in Diversified Cooperative Training, were in a special program at Marianna High School. We were able to gain work experience in various areas as well as take a course in Business Law, Income Tax Preparation, and Parliamentary Procedure, among other courses. Gaining employable skills was our prime objective.

We worked hard to finance our own trips to District and State conventions. Among other activities, we sold derbies and held a senior basketball game for the amusement of students as well as teachers at the end of the year.

BULLDOGS MARCH ON

With shouts of "put some hay in the barn!" and "let's see some high knee!" Mr. Royce Reagan, our new band director, led the MHS Pride of the Purple and Gold through a very successful year. Mr. Reagan's enthusiasm and fresh ideas brought a new dimension of excitement to our halftime shows. Adding the finishing touch were the flags, majorettes, and feature twirler. We broadcasted a radio show weekly to raise money and boost public relations. We also represented Marianna in several parades around our area. With high hopes and great anticipation, we prepared for the various concert and marching contests we would attend.

After the brisk, exciting pace of marching season, we settled in for a busy schedule of concert appearances. Some of us were selected to participate in District Honor Band and all worked hard preparing solos and ensembles for competition.

The Jazz Ensemble fired up the crowd at basketball games and cheered the Bulldogs on to victory. We also played at various community functions such as the annual art show.

This year we learned to combine both fun and hard work to achieve our goals.

not going to be here. But, you'll manage
I'm sure)

SINGING FOR SUCCESS

Marianna High School's choral program puts its greatest emphasis on diligence, unity, and performance.

With a busy schedule planned, we started out the year with a dance-a-thon which was co-sponsored by the March of Dimes. Four students finished the exhausting twelve-hour dance and the funds raised went toward the expenses of District and State Festivals.

As the hectic Christmas season drew nigh, we began to prepare for the concert performances that were scheduled: the Presbyterian Wives Luncheon, and the annual Christmas concert. When we returned from the Christmas holidays we had to buckle down and start work on music for District and State Festivals. Almost everyone was involved in some way, working with either ensembles, solos, student conductors, or the regular choral music.

With the school year drawing to a close, we prepared for our final performance, the Spring Concert. All three of the choral groups performed along with the ensembles and soloists which went to District and State Festivals.

We ended a year of hard work with a well deserved banquet. Outgoing President Jeff Keeman recapped the highlights of the year and recognized the incoming officers. A small remembrance gift was given to each senior by Mr. Large. We closed another successful year with a feeling of closeness and content.

WE'VE GOT SPIRIT

Led by our captain, Melanie Wiggins, we had a very good year. We went to cheerleading camp in Pensacola and learned new cheers, chants, and spirit-raising ideas that would boost Bulldog spirit. To show our spirit, we won first place in the Rivergate Plaza Cheerleading Competition. Our sponsor, Mrs. Jamelia Syfrett, was new at the job but very capable. We decorated the squads lockers, painted spirit signs, and directed the pep rallies. We traveled with the players to the out-of-town games and came back with sore throats, sore muscles, and sometimes a victory. We sold "Spirit" rough rags and spirit stickers to support our activities and most of all, to get the Bulldogs R-O-W-D-I-E!!!

We got off on the right foot this year when two of our members performed during our first dance at the community center. Their routine produced great enthusiasm within our club.

We enjoyed making projects and visiting the Sunland residents every Saturday and Tuesday.

The club worked very diligently preparing for the Teenage Pageant, which was a great success and a delightful experience for the contestants. Everyone felt the crown was well deserved. The Activetts chose Miss Activett and attendants to participate in the Homecoming Parade.

We observed the Little Miss Sweetheart Pageant with pride, as it went off smoothly. Meldric Bell was the winning beauty with Heather O'Steen as 1st runner-up and Charice Wilson as 2nd runner-up.

Mrs. Granberry beamed as we completed our 1977-78 season, and began planning for 1978-79.

MOD PURSUES GOALS

The March of Dimes is a club which was organized to help raise money for disease stricken children. This year we were under the leadership of Mrs. Becky Grimsley and president Vann Green.

We entered a car in the Homecoming parade in which our 1977-78 poster child for Jackson County, Robyn Hamilton, rode. A float sponsored by our club was also entered in the Christmas parade. Among our many projects were the numerous road blocks, the Mother's March against birth defects, and the Walk-a-thon which was held in November.

The March of Dimes met every Tuesday in the Episcopal Youth Parish House. We feel that our club was worth the time and the many extra hours we put in were not in vain.

BETA BEGINNINGS

For such a newly formed club we had an organized, successful, progressive year in Beta.

In our bi-monthly Tuesday night meetings, we debated and voted until we came to an adaptation satisfactory to our club.

Many wet and often hilarious car washes held during the year gave us a chance to do something together as a club and earn money at the same time.

We sold purple and gold pennants for excited Bulldog fans to wave in the stands as symbols of their spirit.

Led by our sponsors, Mrs. Ingram and Col. Evins, we worked had fun, and grew together as people and as a club to serve our community.

ATHLETICS

MORE

TIME

During the 1977 football season, I found that going to the 10 games of the Marianna Bulldogs was very interesting and exciting. The Dogs had an extremely rough schedule but with the excellent coaching ability of Head Coach Wendell Davis and his staff, the Bulldogs were able to win 5 to their 10 games.

Starting the year with the fall Jamboree in Defuniak Springs, the Bulldogs were victors over Vernon in their first quarter, but suffered a defeat from the Bonifay Blue Devils in their second. For the first game of regular season play, the Dogs traveled to Monticello to meet the Jefferson County Tigers. The game turned out to be a very exciting battle, but the strong and improving Tigers were ahead 21-6 when time ran out. The Rickards Redskins from Tallahassee came to Marianna for the Bulldogs' second dogfight. In the end the scoreboard read, Marianna — 21; Rickards — 14. Their third game of the season was against the Chipley Tigers, who have always been a great rival with Marianna. The Dogs won 14-6. The Bulldogs had a rainy fourth game, traveling to Tallahassee to play the Lincoln Trojans. The Trojans defeated the Dogs 21-0. At home for their fifth game, the Bulldogs faced the Port St. Joe Sharks. Marianna overwhelmed the Sharks 27-0. Their next game was with the Leon Lions in Tallahassee. There the Dogs suffered a 0-54 loss. Then, the Dogs traveled to Defuniak Springs to face the Walton Braves. The Braves got their Homecoming spoiled by loosing to the Bulldogs, 21-0. The following week was homecoming week at Marianna. The Dogs ended the week with a big win over Quincy Shanks, 12-7. For their 9th game, Marianna traveled to Blountstown for a very wet and muddy contest. It was a very physical game, and the Dogs fell to the former state champions, 0-9. Our Dogs ended the 1977 football season with a disappointing loss to the Wakulla Wildcats.

TOUGH ACT TO FOLLOW

Head Coach Randy Free has developed a basketball team with an excellent winning reputation at Marianna High. Over the past few years, he has worked his younger players preparing them for their future, playing basketball at MHS. This hard work, which is almost year-round, is now paying off. The Dogs have sported a 20 win — 4 loss record against stiff competition, with 3 games left before the District Tournament on February 24 and 25 in Tallahassee. The Bulldogs dominated all the teams in their Conference Tournament. Many of these teams will also play in the District Tournament, seeking revenge against the talented Bulldogs of 1978.

ANOTHER WINNING SEASON

Sybil

Splitting its 19-game schedule into nine home games and ten away games, the Lady Bulldogs faced some very tough competition.

Under the direction of Coach Nelda Segers, the Bulldog players tackled such opponents as Niceville, Gulf Breeze, Rutherford, Quincy, Walton, Bay, Vernon, Malone, and Cottondale.

Posting an 18-2 record in 1976, only four Lady Bulldogs returned for this year's squad.

Hard work and enthusiasm were the key to this year's success. Averaging a little under 50 points a game, this year's Lady Bulldogs were assured of another winning season.

. . . ENOUGH SAID

What can you say about a team which has a reputation for being number one? Any one of the girls who has played on Marianna High's softball team can tell you that it's not easy getting there. Through hard work, determination and the skilled coaching of Mrs. Belva Free, the reputation of being a number one softball team has been upheld. Finishing second in the state last year was not easy.

Losing eight girls to graduation last year, this year was a rebuilding year all the way. New Head Coach Gail Brawley only had five returning players. Hopes were very high that another winning season was at hand.

BULLDOGS REBUILD

The Bulldogs ended a winning season last year with a 13 win-12 loss record but lost seven players to graduation.

This year was a rebuilding year for baseball at Marianna High School. The Dogs had 26 games in their 1978 season. With 4 returning seniors and a number of talented young athletes, they expected a very exciting and successful season.

In his first year coaching at Marianna High, Coach Dell Hughes started practice in early December preparing for their first game on February 23. This was a tournament in Tallahassee which lasted 3 days.

Greg takes his daily dry cuts.

Randy prepares to deliver a shot to the plate.

BOTTOM ROW: Randy O'Brian, Matt Dryden, Chuckie Hatcher, John Brunner, Charles Reiff, Greg Morris, Bryan Wiggins. TOP ROW: Danny Sullivan, Greg Spurlock, Grover Jackson, Ray Deming, Timmy Hughes, Brian Peacock, Steve Revell.

VICTORY VOLLEY

Volleyball, only in its second year at Marianna High School, has proved to be an outstanding girl's sport. Under the leadership of Head Coach, Gail Brawley, the girls posted an 11-5 season. The girls placed second in the Conference Tourney, which was held in Quincy. Sybil Rivers, Cynthia Peace, and Melanie May were named to the All-Conference squad.

In post-season action the girls went to Tallahassee to compete in district play. They defeated Tallahassee Lincoln, but fell prey to a strong Quincy Shanks team.

At the end of the season, Sybil Rivers was chosen as the Most Valuable Player, while Cynthia Peace and Melanie May split the honors of the Bulldog Award. Melanie was also chosen as FACA District II Most Valuable Player runner-up.

Cooper serves again.

TOP ROW: Coach Gail Brawley, Darlene Sims, Jeannie Ouzts, Sandy Cooper, Jennie Roberts, Mgr. Janet Fellows. BOTTOM ROW: Felicia Speights, Cynthia Peace, Melanie May, Shelia Wooden, Sonya Gelzer.

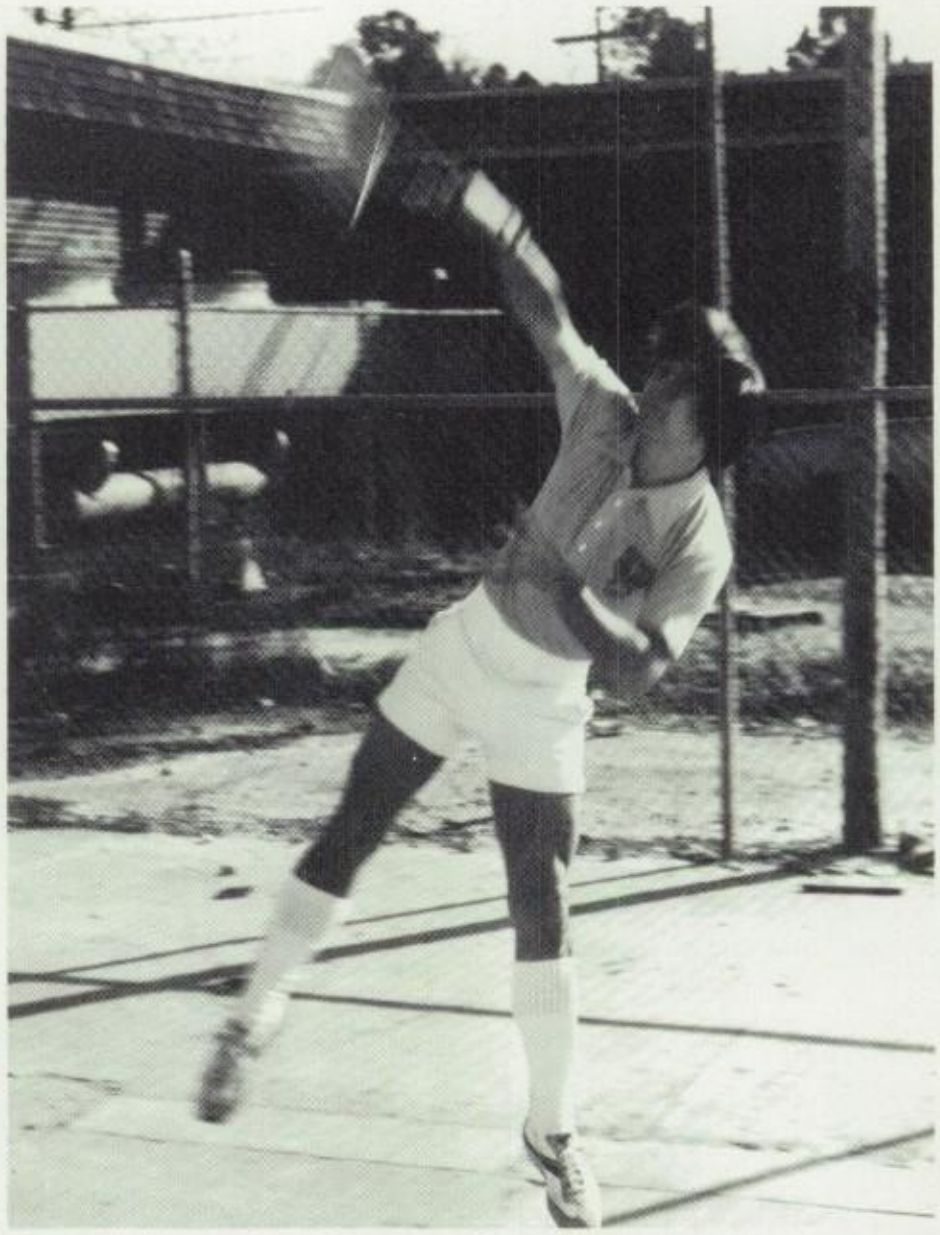
BULLDOGS CAUSE A RACKET

Great things were expected this year from our tennis team. One of the top teams in the district last year, Marianna was the team many were out to beat.

Royce Reagan was our new sponsor. Returning from last year's team were Clint Cox and Tim Morton. These two played exceptionally well last year and were the nucleus of the team. The tennis team certainly served us well.

FRONT ROW: Mark Saucier, Joey Houston, Clint Cox, Tim Morton. SECOND ROW: Brian Pelt, Carey Moreland, Robert Peters, Marc Donofro. THIRD ROW: Rance Massengill, Brian Craven, Coach Royce Reagan.

Saucier delivers a backhand.



Cox shows great form.

Morton and Cox combine their talents.

Placing fifth in the class 3A State track meet was an outstanding accomplishment for the four boys who went to Winter Park in 1977. These Athletes were Al Hayes, Mark Robinson, Harold Wynn, and Michael Sylvester. The four Marianna Bulldogs placed first in the sprint medley and second in the 880 yd. relay. As an individual honor Harold Wynn placed third in 440 yd. dash. Coach Robert Patterson and Coach Bernard Williams started practicing their runners on Jan. 25, preparing them for the start of their 1978 track season on Feb. 25 with the Big Bend Relays in Tallahassee. The Bulldogs will have 16 meets including County, District, Regional and State. Coach Nelda Segers in her first year at Marianna High School started practicing the girls on Feb. 14 getting ready for the Big Bend Relays. The girls track team will have seven meets during their 1978 season.

"Here, you take it."

MAT MEN MAKE THEIR MOVE

For our wrestling team, 1978 was expected to be a rebuilding year, but they surprised many area wrestling teams with their abilities on the mat. Coach Bill Baggett led his team to a superb 11-3 record and a No. 1 seating in the district tournament, which they dominated with victories in 9 of 11 weight classes. The accomplishments of our wrestlers proved wrestling is destined to become a major sport at Marianna High.

Teammates congratulate Ronnie.

BOTTOM ROW: Steve Jenkins, Ricky Rash, Billy Wooten, Dennis Keeman, Craig Dean. SECOND ROW: Kelly Riley, Ronnie Spears, Greg McNealy, Sixto Pineda, Doug Brinson, Tony Peace. THIRD ROW: Ronald Smtih, Mike Hutto, Wayne Hicks, Mike Burk, Paul Jenkins, Jimmy Wade. TOP ROW: Bernard Jennings, Mango Hayes, Will Barnes, Byron Small, Maurice Cabrera.

OUTSTANDING SENIORS

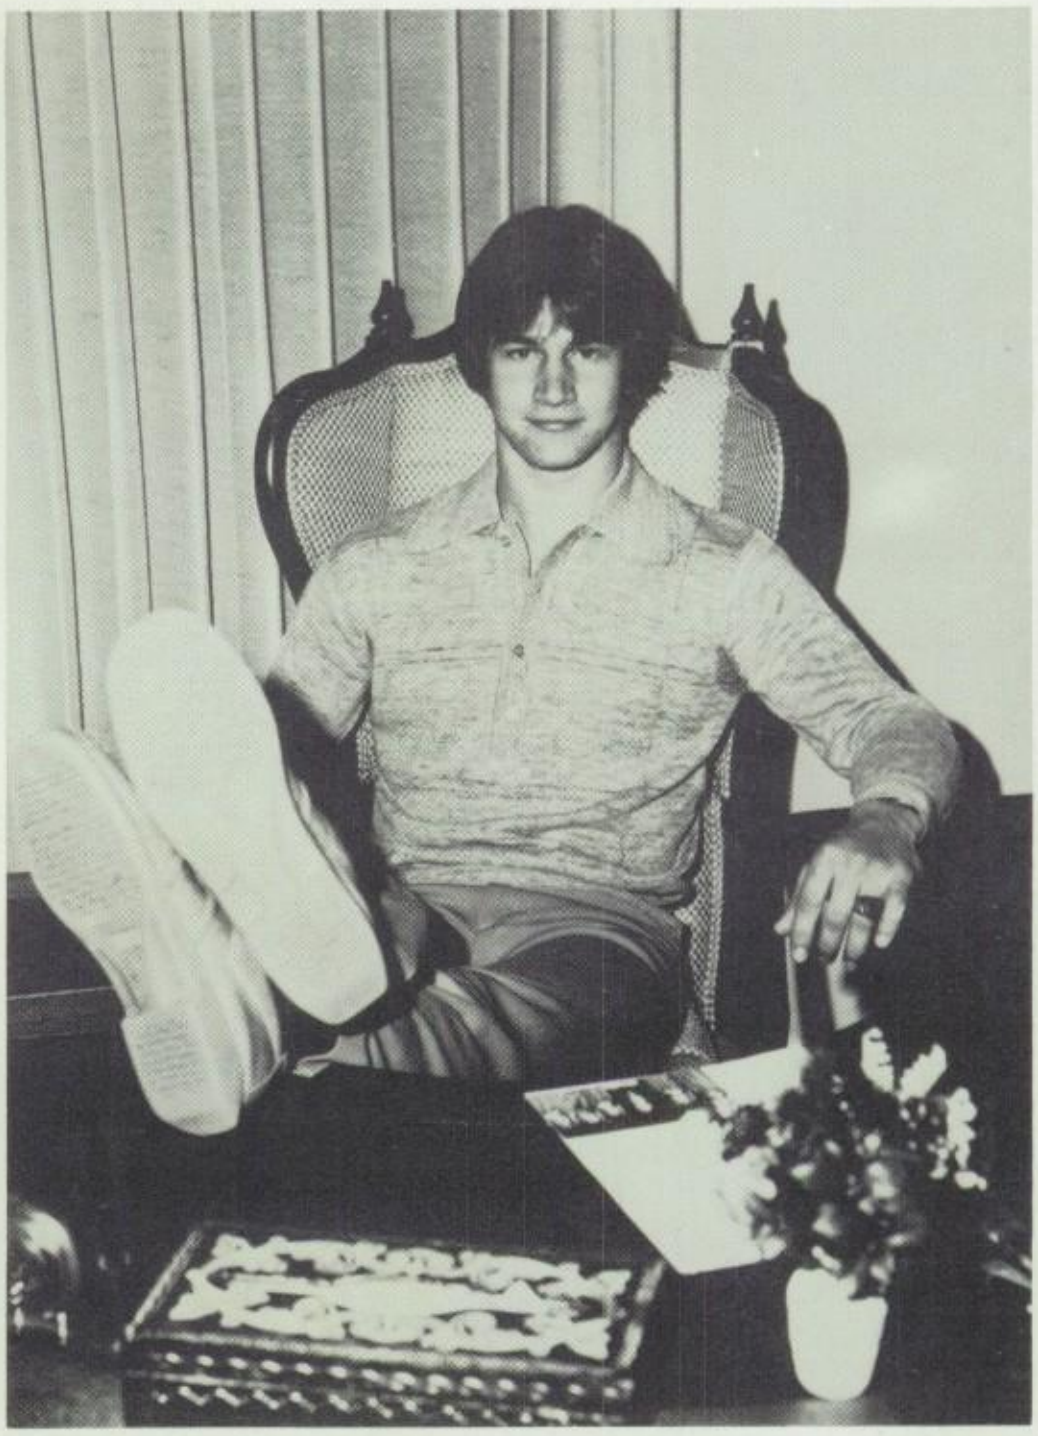
OUTSTANDING SENIORS: Bubba Melvin, Donna Delaney, Wyvonna Crosby, Denise Barnes, Steve Revell, Don Bellamy, Susan Daniel, Renea Harris, Kim Duggar, Carl Jones.

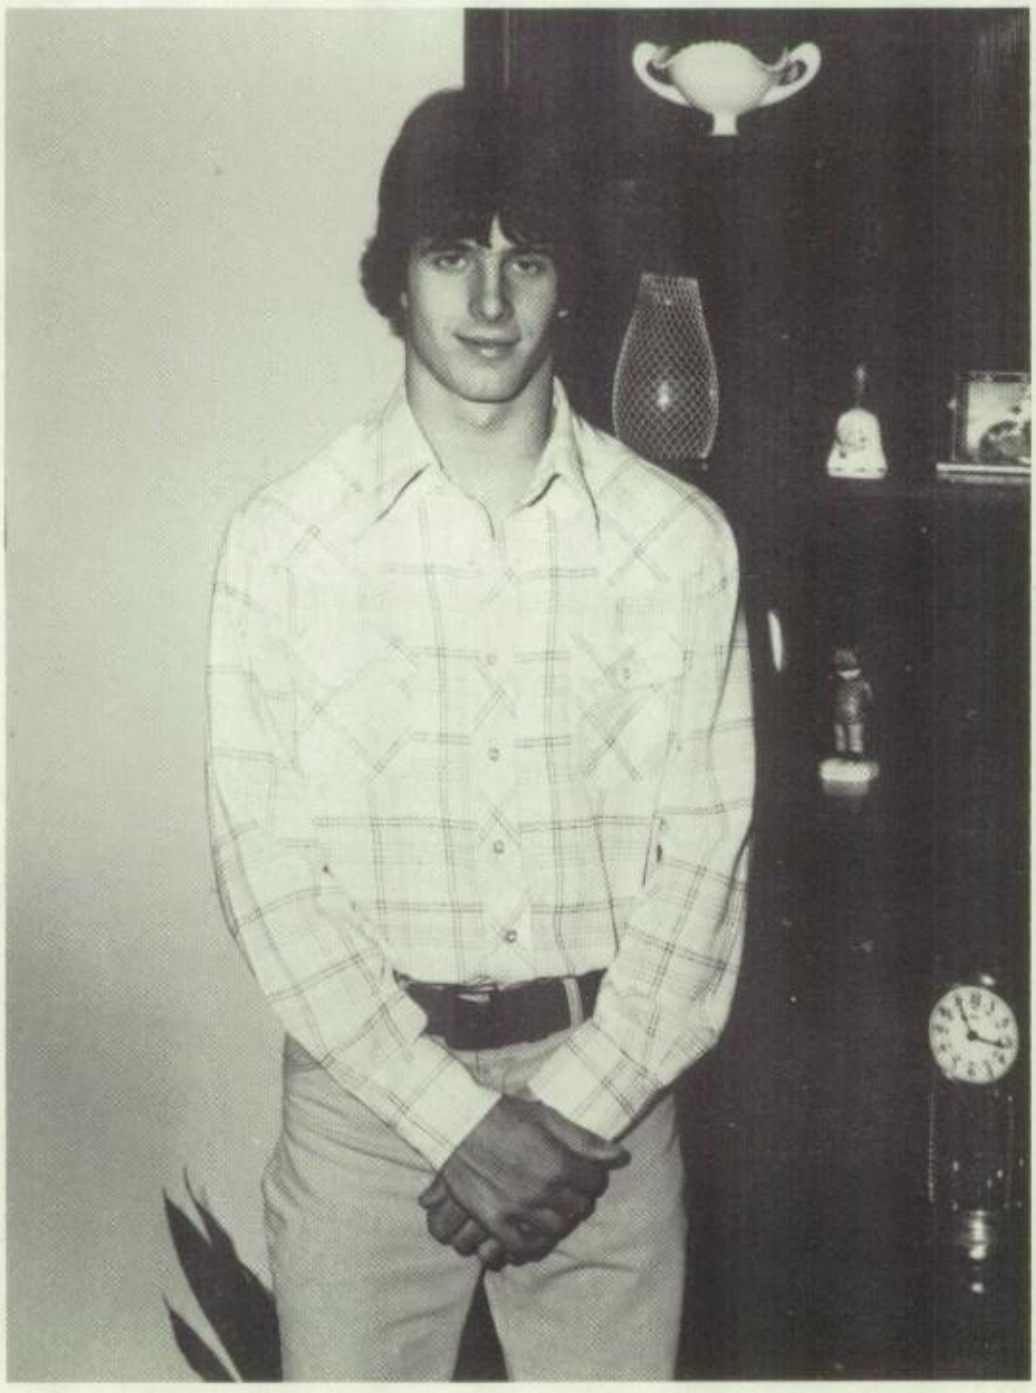
For four consecutive years, DON BELLAMY executed his athletic ability in football and track, as well as participating in basketball for two years. He showed his leadership qualities by performing the duties of Vice-President of the FCA his Junior year.

DENISE BARNES was a member of the March of Dimes and served as President her Junior year. As a member of FFA and the Interact Club she was always very busy. She was on the Homecoming court and was a yearbook beauty for two consecutive years. Her Senior year, Denise was chosen as Homecoming Queen.

As secretary of the National Honor Society, Majaflo Business Manager, and a member of the Anchor Club, KIM DUGGAR showed versatility which made her an outstanding student. An avid music fan, Kim devoted many hours to the band as a band officer, member of the stage band, and District Honor Band. She won many honors such as Kiwanis Youth of the Month and Jackson County's Junior Miss Scholastic Award. Not only was Kim elected to Who's Who Among American High School Students but also Who's Who in Music. She was Co-Valedictorian.

BUBBA MELVIN was active in all phases of school. He served as President of the Key Club, National Honor Society, and the F.F.A. He was also a member of the Junior Academy of Science and the F.C.A. Bubba played football for four years and was on the wrestling team. When he attended Boys' State, he was elected Speaker of the House and in his Junior year he was selected STAR Student as well as being listed in Who's Who in American High Schools. In his Senior year, Bubba was voted a tri-captain by the football team and was given honorable mention on the Associated Press Florida All-State Football Team. He was Co-Salutatorian.





Serving as Majaflo Editor-in-Chief was a very time consuming activity for RENEA HARRIS. Renea was also an Anchor member, Class Officer, Band member, and Stage Band member. While in Band she served as Librarian, Co-Captain and Chaplain. She attended the Florida All-Star Marching Band and District Honor Band.

In her Junior year, Renea was tapped for National Honor Society, selected for Who's Who Among American High School Students, and attended Girls' State in Tallahassee. She participated in the Jackson County Junior Miss Program and won the Scholastic Award, the Judges Interview Award, and First Runner Up. She was also Co-Valedictorian.

Talent and personality made STEPHEN REVELL an outstanding senior. He made many contributions to sports by participating in baseball for three years and football four years. His Senior year he was voted a tri-captain of the football team. Stephen was also in Latin Club and Key Club for one year. During his Junior and Senior years he served as Sports Editor of the yearbook.

Throughout her high school years, WYVONNA CROSBY was very active. In her Freshman year she was a member of the Pep Club and Afro-American Club. She participated on the track team for three years. She was a member of FYEA, in which she served as Secretary her Senior year, National Honor Society, Who's Who, and Yearbook her Junior and Senior years. During her Senior year she was a member of the Junior Academy of Science and participated in their annual plays. She was selected by the Senior class to be a representative on the Homecoming Court. Wyvonna was also an Honor Graduate.

Many qualities were considered when voting for Outstanding Seniors and CARL JONES' leadership ability was a quality not forgotten. On the athletic field, Carl provided that extra touch of enthusiasm to his fellow team members that encouraged them to put forth their best effort. Serving as guard on the basketball team for four years and as quarterback on the football team for two years gave Carl the opportunity to develop his talent.

DONNA DELANEY served as Secretary of Anchor Club and Copy Editor of the yearbook. She was in Band and was chosen as Key Club Sweetheart. Donna also won the title of Jackson County Jr. Miss for 1978. Donna well represented her school and community.

SUSAN DANIEL was an Anchor Club member for three years, serving as Vice-President her Junior year and President her Senior year. After participating in Latin Club for one year, she was elected President for the second. Susan was accepted in Beta Club and served as Secretary. She was chosen for the yearbook staff and worked as Class Editor. After being team manager she was active on the softball team itself. Susan was listed in Who's Who Among American High School Students and was selected to be a candidate in the 1978 Junior Miss Program.

BEAUTY RADIATES CAMPUS

True to tradition, we at Marianna High School elected five class beauties for their all-around charm and personality. We chose Cynthia Peace and Denise Barnes as the 1978 Senior beauties. Cynthia's concern and interest in people kept a steady stream of friends around her. She put much hard work and time into athletics. Denise Barnes showed her many diversified talents by active participation in Interact, March of Dimes, and FFA. She got her special chance to shine when she was voted Homecoming Queen. Junior Melanie Wiggins had a flair for spreading sparkle and fun. Her vivacious enthusiasm as a cheerleader and a member of Interact and Beta Club made her a favorite of everyone. Beth Alexander, our Sophomore beauty, possessed a calm, composed loveliness that won her a place on the Homecoming Court. Beth was known for her sweet disposition and ever present smile. The Freshmen chose Zanna Evans for her kindness and cute smile. Zanna spent many hours devoted to Student Council, Chorus, and gymnastics.

MAJAFLO EXTENDS THANKS

The 1977-78 Majaflo Staff and the student body of Marianna High School would like to take this time to express their appreciation to the businesses and professional people of Marianna for making this yearbook possible. Without your generous financial support we would not have been able to make this yearbook a reality. So we would like to say "Thank you," one more time.

Susan,
I have enjoyed having 5th period with you. I don't think we will ever forget the memories of Miss Gilbert & Ben W. Well the year is almost over, & we can't believe it. I think we'll be big bad Seniors next year. I am sure enough gonna let everyone know I am a Senior. I sure hope the juniors next year will be better than us & not party so much. Maybe they'll get more done. See ya this summer (maybe).

Friends, Debbie Pope

P.S. Maybe we'll have some more hilarious classes together next year like this one!

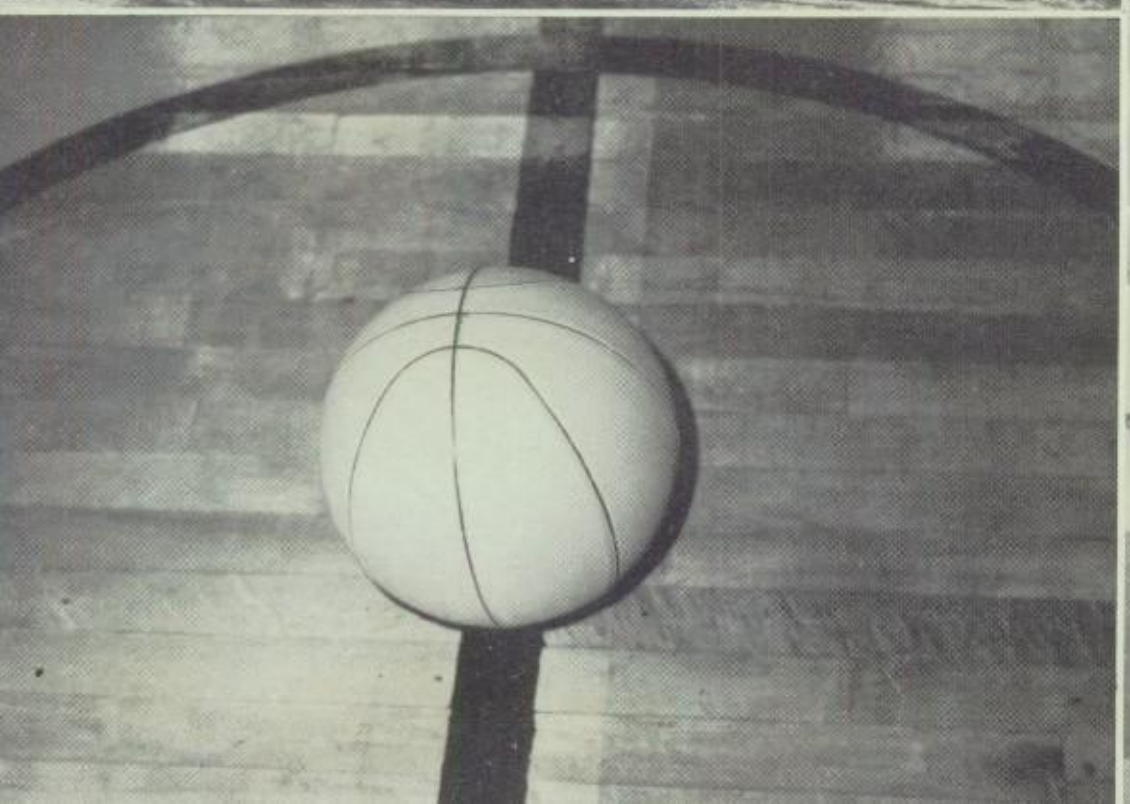
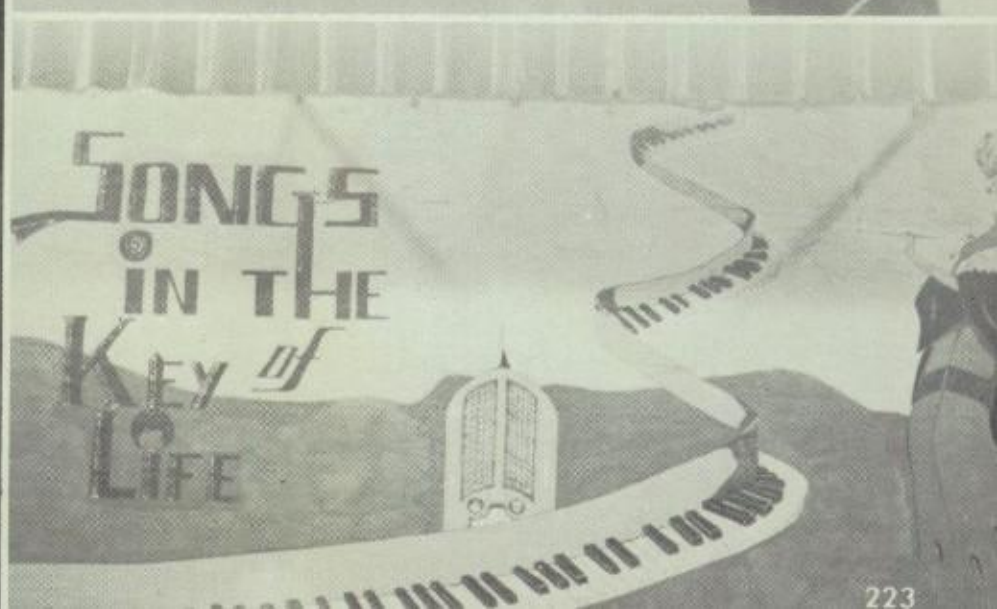
MHS . . . ONE MORE TIME

Melanie





To a sweet girl who I have enjoyed this year. Good luck in the future. Friends always B. J.

You are holding in your hands the product of endless hours of work on the part of many people. I would like to express my sincere thanks to my advisor, Mrs. Sarah Clemmons, for her patience, advice, and efficiency in making sure everything was completed and correct. Also, thanks to David, my excellent assistant; Kim and Angela for "taking care of business"; Wyvonna, Cile, and Patti for typing practically the entire book; Steve for the Athletics division; and, of course, the rest of my fantastic staff! I extend special thanks to Mr. Jim Odom, our Taylor Publishing representative; Mrs. Bunnee Wester for handling all our financial matters; Mrs. Peacock and Miss Justice for their cooperation in running off our stencils; the Business and Guidance departments for the use of their typewriters; and to my parents for their continual support during my longest hours.

The above people had much to do with the production of the 1978 Majaflo, but without YOU, the students, it would not have been complete. I hope this book will bring you cherished memories of MHS. I invite you to relive those memories with me ONE MORE TIME.

It's been lots of fun this year in Chemistry. I'll never forget our struggles to pass those rough test and those labs were murder. Remember me always as the one that never did it but mostly got credit for it ☺.

I'm glad we finally got her out of our hair. She was a pain in the neck. I hope the Sunday School class at Berean is getting larger. If it is still the way it was when I last went it is going slowly but surely. I hope you enjoy your new house. I know you have alot more room than you did have. Maybe we will be able to get together sometime this summer. Blue Springs, Skating Rink or somewhere. I hope we get a class together next year and be able to get to know each other better again. We are Seniors next year. What a wonderful and sad year that will be. All of us will go our own separate ways and not see each other again I'm glad we will be friends till then. May God Bless and Keep You. Good luck in the future.

Love, SR "79"

P.S. I hope I didn't write to much.

a girl who I have enjoyed knowing in the past two years. We had lots of fun together. Remember the Canberra Park on Good Friday, we got out of dissecting worms in Mrs. Glenn's room. I hope we can have more good times together. I wish you and Mike all the luck in the world. I hope you and Mike can have a long lasting relationship. I believe that me and Kenny will have a better relationship than we ever have had in a long time. We are doing great right now. Remember Charlotte we had a rough time with her for a while.

Dear Jo,
I've been meaning to write you for a long time but I've been very busy. I've been working at Burger King and going to school. I've been very busy. I've been working at Burger King and going to school. I've been very busy. I've been working at Burger King and going to school.

Susan,

It's been another school that's come and gone (almost) last year I helped you pass basic composition, and this year you helped me pass American History. I wish the years didn't go so fast because I'm going to miss all my friends, but I guess time flies when you're having fun. I'll see you next year.

Your friend,
Robert Perdue.

Susan,
You have really been one of my best friends that I have enjoyed being around and I will always remember you.

Love always,
Kathy & Randy

Susan,
It was great having you in Chemistry. I doubt if I would of made it without you help. You can always tell the dumbies; me for one. Good luck in the future and don't take any more chemistry, you hear!!! Ha Ha!

Pat M.

Susan,
We've been a good team. We've had some times. Have a good summer. Don't work too hard.
